

**Rule 9.26 Child Support Guidelines Schedule.**

Schedule of Basic Support Obligations

**Iowa**  
**Schedule of Basic Support Obligations**

- Area A:** Except as provided in 2, only the noncustodial parent’s income is used in Area A  of the shaded area (\$0 to \$1150) in accordance with the low-income adjustment.

**Area B:** Two calculations are required in Area B  of the low-income shaded area (between \$1151 and \$1800 for one child, between \$1151 and \$2150 for two children, between \$1151 and \$2350 for three children, between \$1151 and \$2400 for four children, and between \$1151 and \$2650 for five or more children).

Calculation 1 is the same as the Area A calculation.

Calculation 2 uses the parents’ combined incomes.

The guidelines amount is the lower of the two calculations.

**Area C: Nonshaded area.** The parents’ combined incomes are used in the remaining (nonshaded) area of the schedule.
- In joint (equally shared) physical care cases, regardless of whether a parent is low income, use the parents’ combined incomes in the shaded and nonshaded areas of the schedule.
- For combined net monthly incomes above \$25,000, the amount of the basic support obligation is deemed to be within the sound discretion of the court or the agency setting support by administrative order but shall not be less than the basic support obligation for combined net monthly incomes equal to \$25,000.

| Combined* Adjusted Net Income        |   |      | One Child | Two Children | Three Children | Four Children | Five or More Children |
