20. Plaintiff's Understanding of this Petition—Read Before Signing

When Plaintiff files this Petition with the court, several legal matters are set into motion.

Check each statement below after reading it.

I understand that there will be a court hearing 5 to 15 days after I file this Petition.

I understand that a law enforcement officer will give Defendant a copy of this Petition, if Defendant can be found, and that Defendant will receive other relevant court papers.

I understand that I must attend the hearing. If I change my mind and do not want a Protective Order, I should fill out and file with the clerk of court a "Motion to Dismiss" before the scheduled hearing. (This form can be picked up at the clerk of court's office.)

I understand that if I do not attend the hearing, or if I file a "Motion to Dismiss," the judge could allow Defendant to present testimony and might give Defendant what Defendant asks for, such as custody of the children or the home. If I file a "Motion to Dismiss," the judge can dismiss the Emergency or a Temporary Protective Order so that it will no longer have any effect.

I understand that the hearing is my opportunity to tell the judge how I was hurt or threatened, where it happened, and when it happened. I can bring people with me to the hearing who saw Defendant abusing me or saw my injuries. I can bring any evidence I have that shows I have been abused, such as medical reports, pictures, pulled hair, or anything else that might help convince the judge that I need a Protective Order.

I understand that the court will give primary consideration to the safety of me and my children. I should tell the judge how we will be in danger if Defendant is given temporary custody or unrestricted visitation.

I understand that the hearing is my opportunity to tell the judge whether paying court costs would hurt my ability to pay for my needs or my children's needs. I should be ready to provide financial information at the hearing, such as income and living expenses and other expenses.

I understand that the Protective Order could be in effect for up to one year. I also understand that if the Protective Order is granted, it may be extended beyond one year by filing for an extension before the Protective Order expires.

I understand that if I believe that the Protective Order has been violated, I can bring this to the court's attention by filling out and filing with the clerk of court an "Affidavit to Start Contempt Proceedings." (This form can be picked up at the clerk of court's office and is available on the Iowa Judicial Branch website.)

I understand that if a Protective Order is issued, peace officers can use every reasonable means to enforce the Protective Order, including taking Defendant into immediate custody, and that if a court finds that Defendant has violated the Protective Order, Defendant could be put in jail and have to pay a fine. **I also understand** that I could be arrested and jailed for aiding and abetting Defendant's violation of the Protective Order.

I understand that a Protective Order is a serious legal action. If I want to change any part of the Protective Order, I should go back and tell the judge. I should fill out and file with the clerk of court a "Request to Cancel or Change a Chapter 236 Protective Order." (This form can be picked up at the clerk of court's office and is available on the Iowa Judicial Branch website.)
